DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

## Commissioner for Patents

The reply filed on May 10, 2004 is not fully responsive to the prior Office Action because of the following omission or matter: it is clear from the record that requirements regarding corrected drawings conveyed to the applicant on December 3, 2002 and April 28, 2003 were withdrawn in the Office Action of August 4, 2003 and requirement to submit corrected drawings was set in the Office Action of December 15, 2003. Applicant failed to comply with the requirement 37 CFR 1.85(a): "...objections to the drawings in a utility or plant application will not be held in abeyance..." See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
